spoken in a depreciatory way about the University before his classes, and that he has also spoken in a very uncomplimentary way about the administration.

The four following acts are therefore regarded by President Kingsbury as among the proper grounds for public charges, followed by dismissal: (a) "speaking in a very uncomplimentary way about the administration;" (b) "speaking very disrespectfully of the Chairman of the Board of Regents;" (c) "speaking in a depreciatory way of the University before classes;" (d) "working against the administration." The last mentioned charge appears to the Committee to be of a greater significance than the first three, and is dealt with separately below, under the head of "Truth of Principal Charge." With regard to the other

three charges, the Committee has attempted to ascertain more precisely the nature and occasions of the expressions used by Messrs. Wise and Knowlton, which are set down by the President as reasons for dismissing these professors.

(a) President Kingsbury was asked to inform the Committee as to the nature of Mr. Wise's uncomplimentary references to the University administration, and to state whether these references were made in private conversation or on a public occasion. Dr. Kingsbury replies that the expressions complained of were "statements as to the unfitness of the President for his position;" and that "it is not claimed that the uncomplimentary references were made in public, but they were made freely and without reserve." Mr. Wise, however, states that he never categorically declared Dr. Kingsbury to be unfit for his position, though he has in private talk made criticisms of the President and of several of his official acts and policies. "In departmental matters," Mr. Wise writes, "I have frequently differed from Dr. Kingsbury. I have opposed the policy which regulated the number of teachers by the plans of the President of the University and not by the number of students to be helped. Another 'policy' I have fought is that of keeping Germanics and Romance in one department." Mr. Wise adds that once, in reply to a question

- Review documents and listen to presentations on all proposals & reports
- Assure compliance & readiness for Senate
- Recommend corrections & improvements & alert about likely areas of Senate concern
- Place items on Senate agenda -- either “Consent,” “Debate” or “Information & Recommendations”

- **Does Not**

- Final Approval of most proposals (except summer interim authority).

# Example of Workflow/ approval process

*E.g., New Degree*

# Senate Agenda Items

Some topics are directed, by policy, to go to the Senate debate, consent, or information calendar. For others, SEC makes that determination.

## Debate Calendar

- Academically significant
- Are in very late stages
  - Typically, next go directly to U-Pres & Bd of Trustees
  - Vetted by many different committees & administrators before Senate
  - Vetted by Executive Committee
- Most are very good
  - Some are, and should, be expedited
  - Some controversial/ inaccurate/ have unintended consequences

### **Be prepared – Read materials – You will vote**

- Executive Committee report, Executive Committee Senators
- BoardDocs Agenda packets, talk to colleagues

# Senate Agenda Items

## Intent Calendar

- Intent Calendar items do not get a Senate vote
- These go to the next Senate meeting on the Debate Calendar for a vote
- Part of the Senate agenda that presents proposals for an initial discussion
- Used for more in-depth issues
- Proposals that need to be brought to constituents for feedback
- If 2/3<sup>rd</sup> of the Senate voting members agree, items placed on the Intent Calendar can be moved to that meeting's Debate Calendar for an immediate vote.

# Senate Agenda Items

## Consent Calendar

- Routine or non-controversial matters that require a vote
- SEC determines placement on this calendar
- Single Senator may request an item be moved to Debate Calendar
- 2020 COVID-19 special procedures = SEC assigning more items to Consent instead of Debate, for meeting efficiency

# Senate Agenda Items

## Information and Recommendations Calendar

- Presented for information to Senate members and their constituencies (faculty, students, deans)
- No vote of approval is required
- “Recommendations” are invited and taken seriously
- University Regulations items– SEC chooses

# Virtual Meeting Procedures

1. More liberal use of consent calendar
2. Handle routine informational items by written submission
3. Require presenters to submit one-slide summary of proposal; minimal oral presentation; respond to questions (*encourage pre-meeting contacts via Jane Laird*)
4. Senate President Elect Harriet Hopf will operate slide sharing

# Benefits of Virtual

- International, Asia Campus
