

To: Academic Senate

From: Jess Tidswell, Chair, Senate Advisory Committee on Student Course Feedback

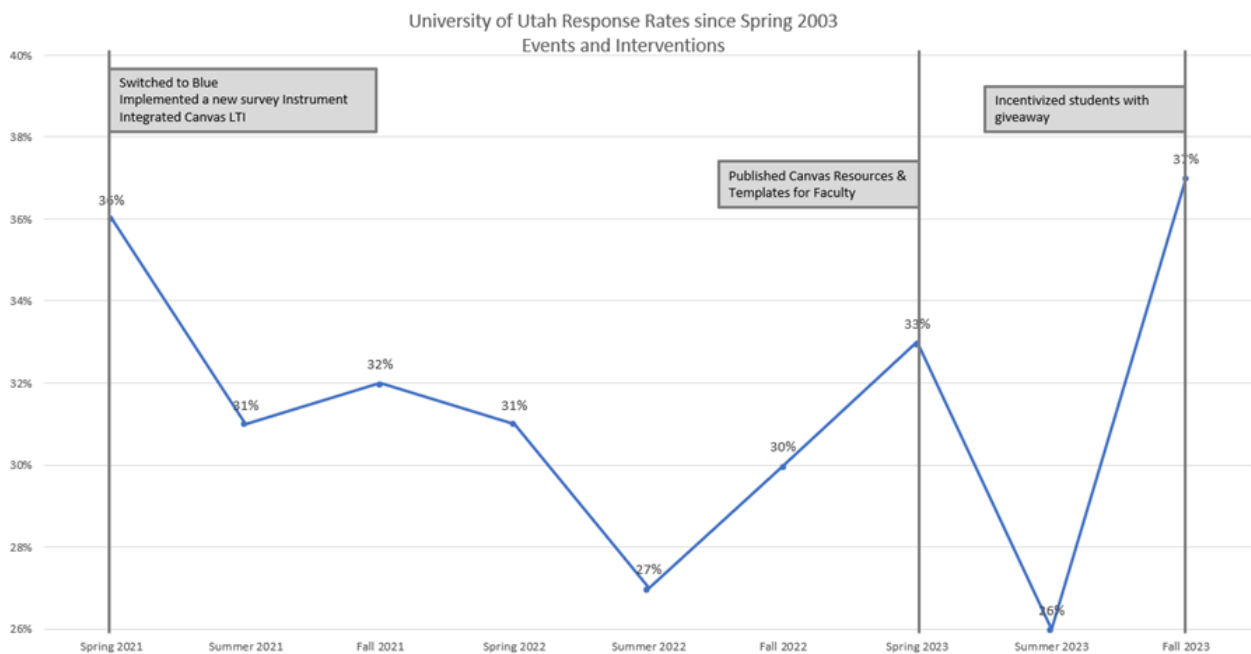

RE: Report on Academic Year 2023-2024

Date: April 10, 2024

Committee Members: Jim Agutter, Anne Cook, Adam Halstrom, Erin Johnson Cole, Sara Hart, Patrick Tripeny, Lauren Solkowski, Shanti Deemyad, Karen Paisley, Mike Braak, Hannah Truax, Mercedes Johnson, Cate Carson, Jess Tidswell

The Committee members presented proposed changes to the Student Course Feedback (SCF) survey to the Executive Committee and then to the Academic Senate for approval in early Fall 2023. The Committee convened three times during the fall of 2023 and discussed creating and implementing an incentive program for the students to complete the SCF. The incentive program was utilized during the fall semester, and an iPad and Air pods were offered as prizes. Kevin Labrador won the iPad, and Stephanie Mortensen won the Air pods. A photo of Kevin is featured on the Student Course Feedback [giveaway website](#).

Upon analysis of the program, there was a 4% improvement in the response rate on the Student Course Feedback surveys, which can be seen in the graph below. The incentive program will also run in the spring of 2024.

The Committee met twice in spring 2024 and has another meeting scheduled on April 24th. The Committee is working on moving the dates that the SCF is available to standardize it across all programs, courses, and campuses.

Finally, the Committee is considering the Center for Teaching Excellence's proposal to implement the Net Promoter Score as a standardized metric for Student Course Feedback.
