Submitted by Ronald Coleman, Chair

The 2012/13 Personnel and Elections Committee were the beneficiaries of the extraordinary work accomplished in 2011/12 under the leadership of Greg Hatch.

The Personnel and Elections (P & E) Committee met four times during the 2012/13 academic year.

The Committee's initial meeting on September 27, 2012 primarily focused on organizational matters. Ronald Coleman was sustained as the 2012/13 chair and Andrea Rorrer was sustained as 2013/14. The Review Questionnaire for Committees was examined and approved by committee members.

The December meeting reviewed the response of the Athletic Advisory Committee's Charter revision to its Mission Statement. Upon approval the document was forwarded to the Senate Executive Committee

The February meeting consisted of reviewing reports from the Diversity Requirement Committee, Faculty Budget and Planning Committee, Student Affairs Committee, Student Behavior Committee and University Diversity Committee. Preparations were made for the annual P & E. Marathon meeting.

The Personnel and Elections April Marathon Meeting included nominations for Senate President-elect, Senate-elected committees and staffing of University standing committees. A request is also sent to the ASUU for students to serve on University standing committees.

The Personnel and Elections Committee appreciates the many contributions of Ms. Shawnee Worsley.
