Chair, Senate Faculty Review Standards Committee (SFRSC)

RE: Annual Report, 2015-2016

---

**Report on Transition**

As you know, beginning last year, this committee transitioned from a sole focus on tenure-line RPT standards to also evaluating and approving career-line review standards as well as TFR standards. That transition generally has gone well, and the addition of 6 career-line faculty to the committee has been very helpful in this endeavor.

**Meeting Schedule**

We generally are aiming to meet once per month as a committee during the regular academic year. The meeting dates for this year are as follows:

<u>2015</u>	<u>2015</u>
October 5	January 29
November 9	February 26 (canceled)
December 11	March 25
	April 15
	May 20 (if needed)

**Department/College Reviews**

The following department/college statements have come to the SFRSC so far this academic year for review:

1. Film & Media Arts RPT
2. College of Fine Arts career-line review standards (final approval, following prior provisional approval)
3. Quinney Library
4. Eccles Library
5. Languages & Literature RPT
6. Modern Dance RPT
7. Biology RPT

## **Templates**

As you know, last year, we successfully completed an RPT template that departments can use. This has been enormously helpful both to departments and the committee.

This year, we have completed and submitted to Amy Wildermuth, Associate Vice President for Faculty, a template for use by departments for their career-line review standards. We hope that this template will also yield the same kind of benefits as is the RPT template. A group separate from our committee is working on a new draft TFR template under AVP Wildermuth's direction. As asked, we are more than happy to provide feedback and input in that process.
